About *Three Soldiers, Detail* Statue

The Vietnam Veterans Memorial, The Wall, was dedicated in 1982 as a symbol of our nation's honor and recognition of the men and women who served in the Vietnam War. In 1984, the *Three Servicemen Statue* was dedicated as a complement to The Wall. A life-like depiction of our courageous soldiers, this bronze sculpture was created by the late Fredrick Hart as a symbol of their courage and devotion to their country.

Only a partial replica of the *Three Servicemen Statue* was authorized. The *Three Servicemen Statue* South non-profit organization was created to raise the necessary funds to bring this one-of-a-kind detail of the original sculpture to Apalachicola, Florida. The *Three Soldiers, Detail* bronze sculpture, made from part of the original molds, is set on a black granite pedestal and is the centerpiece of Apalachicola's Veterans Memorial Plaza.
